

Statistics Unplugged

Learn statistics the easy way with STATISTICS UNPLUGGED! Easy-to-understand and student-friendly, this practical text takes the intimidation out of statistics and helps you understand the relevance of statistics to your own life. Learning checks found throughout each chapter ensure that you understand the material and end of chapter features such as chapter problems give you the opportunity to review what you have learned. Reader-friendly examples are found throughout so that you can focus on what is really going on with the numbers instead of being overwhelmed by the numbers themselves.
