

The World of Psychology (7th Edition)

More than any other full-length text on the market, The World of Psychology supports student learning while helping students make the connection between scientific principles and everyday life. The Seventh Edition of Wood/Wood/Boyd's World of Psychology continues to respond to the changing needs of today's diverse student population. Students and instructors will benefit from exciting enhancements in content, pedagogy, and design while enjoying the accessible and engaging presentation that have made this text so successful over the years.
