

ad eternum

For centuries, the wampyr has drifted from one place to another. From one life to another. Its 1962, and he's returned to New Amsterdam for the first time since he fled it on pain of death some sixty years before. On the eve of social revolution, on the cusp of a new way of life, he's nevertheless surrounded by inescapable reminders of who he used to be. For a thousand years, he's chosen to change rather than to die. Now, at last, he faces a different future....
