

Suggestion and Mental Analysis: An Outline of Theory and Practice of Mind Cure (Classic Reprint)

The call for a second edition has followed so quickly upon the publication of the first that occasion has not arisen for any great change in the scope or plan of this book. But I have taken the opportunity to go carefully through the text, removing crudities of style in certain places, and altering and supplementing the wording in others where perusal of reviews of the book indicated its necessity, to obviate future misunderstanding. An additional chapter (Chapter XIII) has been added in order to emphasize the fact of the incompleteness of present theories of suggestion and the need of further unbiased investigation, and 550. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
