

Alien Warrior: The Story Of The Ancient

In the year 2039, between Earth, Ceres and Mars the Humans travel without any problem through space thanks to the new kind of petrol called ionfuel. The Humans found that in Ceres there was more of this precious energy but in the Big White Dot where this ionfuel was they found a sleeping Ancient Alien Warrior, he was captured a long time ago and was encapsulated in a frozen cave within the White Dot. In an expedition in search for more ionfuel they awoke someone that theyll regret for eternity.
