

Surreal Gourmet Bites: Showstoppers and Conversation Starters

The Food Network's Bob Blumer is called the Surreal Gourmet for good reason: he's an artist when it comes to creating dishes as fun and delicious to look at as they are to eat. Ceci nest pas your ordinary party fare, but an array of 50 little mouthwatering masterpieces. With recipes such as Coconut Shrimp Lollypops (skewered shrimp with an amazing apricot dipping sauce), Chinese Snow Cones (wontons stuffed with chicken salad and ginger vinaigrette), and the ingenious and very adult Smore Shooters (amaretto hot chocolate with roasted marshmallows), guests will be abuzz about the food all the way home. Complete with tips and techniques, including shortcuts and prep times, as well as whimsical presentation ideas and Bob's quintessential suggestions for music to cook by, each cocktail bite is simple enough for the home cook and memorable enough to become addictive. With Surreal Gourmet Bites, the food will be the life of the party.
