

SHTF Stockpile: A Preppers Guide to Staying Alive! 50 Things You Need to Stockpile Right Now and 10 Tips on How to Prepare for Disaster (Urban Preppers Survival Guide)

Are you a prepper or homesteader? Do you believe in hoping for the best but preparing for the worst? If you're like me and have a family to protect, then you know that being prepared can mean the difference between life and death. This book will go over not only why to stockpile, but how to go about doing it, and what items you'll need not only for your immediate survival but long-term survival as well. Learn about what items you want for your pantry and the tools you'll need on hand to keep going. We'll also discuss the skills you'll need to protect yourself and some tips on how to get ready for anything that comes your family's way. Inside you'll learn: The Importance Of Starting A Stockpile 10 Skills You'll Want To Learn and Master To Survive 50 Essential Things You Need To Stockpile Now! 20 Things to Stockpile With High Barter Value 10 Tips On How to Prepare Your Family For Disaster and much much more..

The time to start is now! Proper preparation takes time.
