

Swim to Recovery: Canine Hydrotherapy Healing (Gentle Dog Care)

This unique book explores canine hydrotherapy, rehabilitation and weight management, and how these can improve your dogs well-being. A type of aquatic exercise, hydrotherapy can help prevent and treat medical problems and pre-/post-operative conditions in dogs, and can also be used for rehabilitation and maintaining health and fitness in your dog. Obesity is one of the most common issues that domestic dogs face today, and this book brings awareness to the matter, suggesting preventative measures and simple husbandry tips that the owner can use to safeguard their dogs welfare. Supplemented by illustrations and color photographs of patients undergoing rehabilitation, this book is ideal for all dog owners. Includes: An explanation of canine hydrotherapy Actual case studies of dogs at the Animal Magic Fitness Centre Alternative/complementary treatments for dogs A canine hydro-therapist at work Canine health issues, clinical signs, prevention, treatment
