

Tales From the Starflare Universe and Beyond

When the crew of the Panther find a ship abandoned for no obvious reason they investigate with care. When they learn that ghosts caused it to be abandoned they are sure it must have been a mass hallucination until the same ghosts start to play havoc aboard the Panther. Disbelief quickly turns to fear as the ship turns against Captain Joe and his crew. Can they regain control of the ship or will they be left stranded and dying in deep space? (Starflare Universe Ghosts) He sits waiting for the tide to come in, but this is no ordinary tide. This tide is taller than a house, more destructive than a hurricane and is on a never ending journey around the world. And he is sitting in the open waiting for it find out why (Starflare Universe The Tide) Everyone knows about the Great Detective, about his ability to root out the tiniest detail to trip up murderers. His powers of deduction are legendary. But what if things aren't quite as they seem? (The Great Detective Stumbles) Find these stories and many more in Tales From the Starflare Universe & Beyond, and see why Simon Goodson's books have received hundreds of five star reviews
