

## The Diary of a Side Chick 4: A Naptown Hood Drama (Side Chick Diaries) (Volume 4)

Being a side chick to a man is never easy, and Desirae has learned that the hard way. After finding out that she is pregnant with Trons baby, her entire life is just changing so fast. In Diary of a Side Chick (Part 4), Desirae will learn that she is actually pregnant with twins. This, alone, is enough to deal with, without having to deal with Tron being down right disrespectful toward Desirae without finding out that who she thought was her best friend would be the one to stab her in the back more than anyone in this entire world. In Diary of a Side Chick (Part 4), Desirae will finally get even with the people who have done her wrong during this entire ordeal and she will do it in ways that she will never forget.
