

## Tempered: Book Four of The St. Croix Chronicles

Book Four of The St. Croix Chronicles Forced out of Londons coal-blackened streets, Cherry St. Croix is faced with her most difficult undertaking yet: sobriety. At long last, my guardian, the enigmatic Mr. Oliver Ashmore, has revealed himself-and his order is clear: I am to be dried out at once, regardless of my wishes. I loathe the country estate I am imprisoned within. Footsteps follow me, voices call for me, and my sanity wavers. In my fevered dreams, I am haunted by those I failed, while waking proves no protection from the ghosts of my reckless past. The craving for laudanum plagues me. I require a distraction. To unravel the alchemical mysteries of my mothers family, I must rely on Ashmores tutelage. I am lured to the art and drawn by the secrets my guardian possesses. Yet the deeper I delve, the more I believe that something dreadful disturbs these haunted corridors. In my madness, I fear that what it wants most...is me. 106,000 words
