

The Angel of Elydria: The Dawn Mirror Chronicles, Book 1

At the crossroads where dreams become nightmares lies the world of Elydria. Its not every day that a college student dies and is revived in a distant world far away from her small hometown in Oregon. But thats exactly what happens to Penny Fairfax. Penny soon discovers her near death experience awakened an ability to manipulate the dreams of others, permitting her to unlock hidden secrets from the past and create vivid illusions. Trapped in Elydria with her English professor, Penny must navigate a world of gas lamps and glittering facades on the verge of collapse in search of the way home. Haunted by a malicious specter wearing an iron funeral mask, she learns that her gift of life comes with a high cost. Now Penny must escape its wicked intentions, solve the mystery that is unleashing havoc on Elydria, and return home without meeting death a second time.
