

## The Bulb Expert

First Edition 150,000 copies! Over 200 different flowers you grow from bulbs get the world-famous flower doctors treatment. See which are best for indoor growing and which are best outdoors, with a plan so you'll enjoy colorful blooms all year-round--from Amaryllis, Begonia, Crocus, and Dahlia, through Irises, Lilies, Narcissus, Tulip, and Zephyranthes. All 200 bulb types come with full-color photos of the plants in season, close-up color illustrations of bulb parts, and tips on planting times, sites, soils, and propagation techniques. Learn how to plant, feed, and water each type, and what's needed for after-flowering care, winter protection, staking, and storage. The full range of interests is covered: increasing your stock, using bulbs in beds and borders, naturalizing bulbs, growing bulbs in containers, in the rockery, and in the greenhouse. A special section shows how to display and care for cut flowers from bulbs. Troubleshooting charts explain how to keep everything alive and flourishing.
