

We Can Remember It for You Wholesale (Collected Stories: Volume 5)

The fifth and final part of the complete collected stories shows Philip K. Dick at the very height of his outstanding powers. The twenty-five tales were written between 1963 and 1981, just a few months before he died, and include two stories which have been turned into box office smashes: the title story, filmed as Total Recall, and The Little Black Box, which grew into his masterpiece Blade Runner.
