

The Feline Affair: An Incident Series Novelette

A wager concerning a famous physics cat has everyone at St. Sunniva University's time-travel lab choosing sides. Meanwhile, food has gone missing from the biology department fridge. Deans assistant Julia Olsen is on the case or would be if the new chief of campus security didn't stand in her way. Can Julia rise to the double challenge presented by one sneaky thief and one elusive historical cat? Set as a prequel to Neve Maslakovic's time-travel series (*The Far Time Incident*, *The Runestone Incident*, and *The Bellbottom Incident*), *The Feline Affair* is a lively jaunt into science, history, and academia. *The Feline Affair* is a novelette of about 12,000 words (50 pages).
