

We Are the Hollow Men

We Are the Hollow Men is a collection of essays, short stories, and sample chapters from various novels by William Barton, intended as an introductory sampler to his writing. Contents include A Lost Generation of SF Readers, We Are the Hollow Men, Heart of Glass, Off the Shelf and On to Mars, Dark of the Sun, A Window on the World, and Stories from Your Unsold Novel. Many of the nonfiction pieces are in expanded form, significantly longer than their original magazine publication.
