

The Journal of Vincent Du Maurier

Science fiction and horror fans alike will anxiously race toward this journals end ... and eagerly request the next installment. Publishers Weekly In the days of the bloodless, a healthy human is a vampires most valuable resource. But theyre in short supply and Vincent Du Maurier is hungry. Evie could be the last human being alive--and shes pregnant--which makes her situation most inconvenient for Vincent. As he struggles to keep her and her unborn child from bloodless claws and vampire fangs, he faces the most difficult choice of his long life. Should he give in to his hunger, and risk a destiny worse than Hades? Or deny his nature, and risk becoming something far worse than dead--a vampire with humanity?
