Sir Arthur Ignatius Conan Doyle, DL (1859-1930) was a Scottish author. He is most noted for his stories about the detective Sherlock Holmes, which are generally considered a major innovation in the field of crime fiction, and for the adventures of Professor Challenger. He was a prolific writer whose other works include science fiction stories, historical novels, plays and romances, poetry, and non-fiction. His first significant work was *A Study in Scarlet*, which appeared in *Beetons Christmas Annual* for 1887 and featured the first appearance of Sherlock Holmes, who was partially modelled after his former university professor, Joseph Bell. Other works include *The Firm of Girdlestone* (1890), *The Captain of the Polestar* (1890), *The Doings of Raffles Haw* (1892), *Beyond the City* (1892), *The Adventures of Sherlock Holmes* (1892), *The Exploits of Brigadier Gerard* (1896), *The Great Boer War* (1900), *The Green Flag* (1900), *The Hound of the Baskervilles* (1902), and *The Lost World* (1912).
