

Mountain Lions (Falcon Pocket Guides)

Mountain Lions presents readers with substantive yet easily digestible information on these mysterious big cats. Where do mountain lions live? What enemies do they have? How do they communicate? What issues exist in the sometimes controversial relationship between mountain lions and humans? This book contains all the information you need to know to become familiar with these fascinating animals. Accompanied by numerous full-color photos of mountain lions in their habitat, this handy field guide makes an excellent take-home souvenir and reference for anybody interested in these big cats.
