

## The Nesting Place

When Art Gibsons collie, Ginger, goes out of control, barking and digging at Dead Mans Hill, Art makes a chilling discovery: someone is trapped inside. Alive. Once rescued, the man himself is even stranger. Naked and unable to speak, he is taken to the hospital. As he recovers from an unknown shock, the fate of an entire universe is at stake. Im a Robert S. Wilson fan from now on!--Joe McKinney, author of FLESH EATERS and APOCALYPSE OF THE DEAD Robert S. Wilson proves himself a master of the dark fantastic.--Tim Waggoner, author of LIKE DEATH and THE HARMONY SOCIETY A writer on the rise, Robert S. Wilsons fiction is highly original, deftly written, and shows a refreshing commitment to (and respect for) craft and depth.--Greg F. Gifune, author, THE BLEEDING SEASON Wilson is a dark force to be reckoned with.--Trent Zelazny, author of DESTINATION UNKNOWN and FRACTAL DESPONDENCY
