Armond a.k.a Dino is a Hotel owner with also a human trafficking business. Hes dangerously in love with Bianca and refuses to let her go without a fight, using blackmail as his ammunition. Jayson is a successful businessman who owns many clubs in different states with a secret side hustle. He married the young and beautiful Bianca. After an incident at his club, he changes on her and makes the mistake of laying hands on her. Remorseful, he waits a few weeks later before appologizing after neglecting his duties to his wife as a husband, but little does he know, its too late to appologize and he has got more things to worry about. Veronica a.k.a. Cherry is a stripper that would do anything for the right price, with many hidden agendas up her sleeve. She wants her best friend Biancas man, and will stop at nothing to get him, or at least have his baby. Sadly, Bianca isnt her only competition.
