

## The Paleoart of Julius Csotonyi

The collected works of Julius Csotonyi, one of the world's most high profile and talented contemporary paleoartists. Csotonyi has considerable academic expertise that contributes to his stunning dynamic art. Csotonyi represents the natural world photorealistically and has been influenced by natural history illustrators such as Peter Zallinger, Doug Henderson and Greg Paul. He uses bold patterns and colors to paint the prehistoric world both with traditional media as well as modern digital techniques.
