

## The Patriot Protocol

The Tennessee Zone Year 2057 Its been ten years since The Collapse. The survivors live off what they can grow, find or steal. A man known as Ryker is among the survivors, a family man with a mysterious past. When his familys relative safety is taken, hes forced to join whats left of civilization to care for his wife and children. But will his newfound allegiance to the government of The Tennessee Zone save them or plunge them into darker peril, and will the powers-that-be use Ryker for their own nefarious needs?
