

The Prada Plan: The Prada Plan, Book 1

Disaya Morgan, a character first introduced in *Girls from Da Hood 4*, returns in this gritty tale of a money-hungry woman who finds her life spinning out of control. When Disaya meets Indie and falls hopelessly in love, she is determined to keep her lifestyle a secret - but everything done in the dark eventually comes to light. When she loses control of her own hustle, things go horribly wrong, and she learns the hard way that, in the game shes playing, there are no winners.
