

The Purloined Letter (Annotated Edition)

The Purloined Letter is a short story by American author Edgar Allan Poe (1809-1849). First published in 1844, it is the third of his three detective stories featuring the fictional C. Auguste Dupin. It is considered to be an important early forerunner of the modern detective story. The ebook also contains a long note on Poes life and work written by French poet Charles Baudelaire (1821-1867) in 1852. The essay was translated in English by Henry Curwen (1845-1892).
