Aeden Rossam: 17, son of a nobleman, expert swordsman, spoiled, lets face it: hes a punk. Betha Solvinstra: 18, common shopkeepers daughter, rising star in the Society of Healers. After Aeden sees his beloved city overrun by a mysterious northern warlords army, he and Betha are chosen to find and stop the warlord before the entire kingdom falls to ruin. To succeed, Aeden must master his Rohva nature, and with Bethas reluctant help claim the powers that only a Rohva with a true knowledge of himself can wield. And along the way, they will begin to unlock the secrets of Earths troubled past....
