

Earth Defiant (The Ember War Saga Book 4)

Betrayed by allies. Beset by new foes. Earth faces its darkest hour since the Xaros invasion. The Toth come to the solar system with a fleet of warships, and they demand the only tool that can rekindle the human race. It falls on Marine Lieutenant Hale to negotiate a pact that will save the human race at the cost of its soul, or start a war with a race of alien predators. The latest action packed-chapter of the Ember War Saga continues with EARTH DEFIANT.
