

## The Sword Of Rhiannon (Planet Stories Library)

Greed pulls the archaeologist Matt Carse into the forgotten tomb of the Martian god Rhiannon and plunges the unlikely hero into the Red Planets fantastic past, when vast oceans covered the land and the legendary Sea-Kings ruled from terraced palaces of decadence and delight. Talented enough to co-write *The Big Sleep* film with William Faulkner and imaginative enough to pen the original screenplay for *The Empire Strikes Back*, Leigh Brackett is a giant in the science-fiction field, and *The Sword of Rhiannon* is one of her most popular adventure tales.
