

HADRON Resurgent

-----For we are Humans.....-----

The fifth book in the HADRON series! Has the time for Humans finally come? Can man rise above the maladies that have plagued Earth since her collapse? Will newly discovered species turn out to be friends or foes? We are strong, we are resilient. We will adapt and overcome. Its what we do. Will it be enough?Also available from this author:SODIUM SeriesA six-book series that takes Man from his first encounter with aliens all the way to a fight for our all-out survival. Do we have what it takes to rule the galaxy?AMP SeriesCast a thousand years into the future beyond SODIUM. This eight-book series chronicles the struggles of Don Grange, a simple package deliveryman, who is thrust into an unimaginable role in the fight against our enemies. Can we win peace and freedom after a thousand years of war?OMEGA SeriesCast a thousand years into the future beyond AMP. The Alliance is crumbling. When corruption and politics threaten to throw the allied galaxies into chaos, Knog Butcher gets caught in the middle. Follow along as our hero is thrust into roles that he never expected or sought. Espionage, intrigue, political assassinations, rebellions and full-on revolutions, they are all coming to Knog Butchers world!HADRON SeriesHADRON is a modern day story unrelated to the SODIUM-AMP-OMEGA trilogy series. After scientists using the Large Hadron Collider discover dark matter, the world is plunged into chaos. Massive waves of electromagnetic interference take out all grid power and forms of communication the world over. Cities go dark, food and water supplies are quickly used up, and marauders rule the highways. One group of citizens takes a stand. Can they make a difference? And the devastating EM waves, where are they coming from? After months of starvation, a

benevolent species arrive in their spaceships to rescue the Human race. Only, are they really so benevolent?- Join the email list at comments@arsenex.com for release dates...
