

The Time Machine: Large Print Edition

The Time Machine by H. G. Wells, Large Print, published in 1895. This classic novel about time travel is a giant in the science fiction genre. Wells brought the idea time travel to popularity by inventing the concept of a time machine vehicle. This novel is an early example of dystopian literature, which describes a future earth that has decayed rather than improved. In his explorations in time, the time traveller fights the dreaded Morlocks, even goes so far into the future that he reaches a period near the end of the earth, where the sun is huge and red. The popularity of this novel and theme has inspired numerous films, television shows, comic books, and related works of fiction. HG Wells books Subjects: time travel, dystopia, Morlocks Related: The Invisible Man, War of the Worlds, Three Musketeers This large print edition of H.G. Wells classic The Time Machine is printed on high quality paper in an easy to ready format.
