

INTERNET HOOKUPS & BOOTY CALLS

Its not easy meeting an sexually available woman in this modern world. The old fashioned ways of meeting women have grown obsolete. You dont want to be accused of harassing women at work. And, in night clubs, bars and dating sites single men may outnumber women fifteen to one. On the internet you dont need to leave the comfort of your own home. Even wearing flannel Daffy Duck pajamas you can come off as a suave and debonaire bachelor. Hundreds, maybe thousands, of women are just a click away. There is a real woman out there who who wants to know you. The revelations included in this manuscript are the result of ten years cruising the personals. Answering and posted ads. One thing I have discovered was that the best things in life are free. Never pay to advertise. In a paid dating service you will find that many of the attractive members are nonexistent. They may have joined at one time, but quit. These paid sites will continue posting these women as active members, maybe changing the city and state. These attractive members will come to life and flirt with you... The catch is that you have to pay for a membership to contact these NON-existent women. Paid sites are for suckers. I am giving up the inside scoop on how I have been able to meet attractive women on the internet and consistently get laid. There is no expensive courtship ritual or games.
