

Ditch Your Body

What if I told you that I live in a world where you can upload your brain, and ditch your body...for good. Join New Eden, the ultimate solution to overpopulation and disease and your ticket to immortality. In this short story by Trip Ellington, you'll meet Hamilton Matthews, an aging man who is debating on making the switch, and dumping his body for good. He's excited about it too...It's just...Something isn't quite right about the people he knows who have crossed over...
