Excerpt: ...good, and very great) was altogether blemished and obscured by Caesars fortune: and therefore he counselled him vtterly to leaue his company, and to get him as far from him as he could. For thy Demon, said he, (that is to say, the good angell and spirit that keepeth thee), is affraid of his: and being courageous & high when he is alone, becommeth fearefull and timorous when he cometh near vnto the other. In the meane time, Ventidius once again ouercame Pacorus (Orodes son king of Parthia) in a battell fought in the Country of Cyrestica, he being come againe with a great army to inuade Syria: at which battell was slaine a great number of the Parthians, and among them Pacorus, the kings owne sonne.
