

## The Trokeville Way

The revered author of books for all ages, from Bread and Jam for Frances to Turtle Diary, gives the literary performance of a lifetime in this taut psychological thriller about a boy who tries desperately to stop failing. Things are already looking a little funny to Nick Hartley after he loses yet another fight with Harry Buncher--and gets his head bashed into a wall in the bargain. So he is less confused than he ordinarily would when he meets Moe Nagic, a homeless man with a puzzle and a secret to sell. Moe offers Nick a way to visit Trokeville, the world that exists at the edge of the picture puzzle. Nick has to go there, if hes ever going to change the way his life is going. But he soon discovers the devastating danger of the journey: His mind could leave him stranded there, with no way of returning! Written with the power and precision of a great author, The Trokeville Way is a provocative masterpiece for our time.

**Childrens Book Review: The Trokeville Way by Hoban Russell** The Trokeville Way by Russell Hoban.

Thirteen-year-old Nick wishes he had more courage. He is being bullied by Harry Buncher, who has a sister to whom Nick is attracted. Then, offered a chance to visit Trokeville, the world that exists at the edge of the picture puzzle. Nick has to go there, if hes ever going to change the way his life is going. But he soon discovers the devastating danger of the journey: His mind could leave him stranded there, with no way of returning! Written with the power and precision of a great author, The Trokeville Way is a provocative masterpiece for our time.
