

The Fourth Doctor Adventures - 5.4 the Legacy of Death (Doctor Who: The Fourth Doctor Adventures)

This range of two-part audio dramas stars Tom Baker reprising his most popular role as the Fourth Doctor (from 1974 - 1981) with a number of his original TV companions. This fifth series reunites the Doctor with Romana (Lalla Ward), a fellow Time Lord for adventures across Time and Space! Note: The adventure continues on from last months Doctor Who: The Paradox Planet. Events on the planet Aoeris take a turn for the worse, as its citizens begin to turn on each other. Can K9 fight to keep the timelines from imploding? This is the fifth series in a Big Finish range which is hugely popular with fans of the classic TV series Doctor Who and the pairing of the Doctor and Romana harks back to the most-watched period, one that to a generation is the most loved and iconic and which broke the records for viewers of the show. Tom Bakers portrayal of the Fourth Doctor Who still tops popularity polls today. He was a special guest in 2013s 50th anniversary story Doctor Who - The Day of the Doctor. Guest stars Simon Rouse and Tom Chadbon are not only familiar faces from a wealth of TV shows, but are firm Doctor Who fan favourites for their roles in top stories Kinda and City of Death. CAST: Tom Baker (The Doctor), Lalla Ward (Romana), John Leeson (K9), Simon Rouse (Drang), Tom Chadbon (Embery), Emma Campbell-Jones.
