

Vintage Tea Party

Everyone loves a tea party. Mix-and-match crockery, bone-handled knives, lace and linen, sweet peas and roses, home baking and a slug of gin in the tea cup - they're all back in vogue. Indoors by the fire in winter or outside in summer sunshine, hosts and guests can relax together with none of the formality of a dinner party. In *Vintage Tea Party*, Carolyn Caldicott shows readers how to recreate a world of nostalgic comfort, old-fashioned elegance and delicious treats. Try her recipes for cucumber sandwiches, Victoria sponge, rose petal jelly, strawberry and champagne jam, Earl Grey tea with gin and lemon, and much, much more.
