

The Fields of Lemuria (Purge of Babylon, Book 3.2, Keo #2)

Part Two of a stand-alone storyline set within the Purge of Babylon universe starring the character Keo.

WHO THE HELL ARE THESE GUYS? Hunted through the Louisiana woods by a mysterious paramilitary group, Keo and Norris are about to reach the end of the line. After months of running, hiding, and fighting for their lives, the ex-mercenary and the ex-cop will finally discover the identity of their pursuers--and why they will never, ever give up. The planet may have been purged and the ghouls now hold complete dominion over the night, but in the day, man still remains the deadliest species. After the Walls come down, the Fields will run red with blood... Keo goes on to join the main Purge of Babylon series starting with Book #4 The Fires of Atlantis. Haven't started the main series?
