

To the Lighthouse

When Mrs Ramsay tells her guests at her summer house on the Isle of Skye that they will be able to visit the nearby lighthouse the following day, little does she know that this trip will only be completed ten years later by her husband, and that a gulf of war, grief and loss will have opened in the meantime. As each character tries to readjust their memories and emotions with the shifts of time and reality, this long-delayed excursion will also prove to be a journey of self-discovery and fulfillment for them.
