

Robert Swartwood: Two Complete Novels (The Calling & Land of the Dead)

From USA Today bestselling author Robert Swartwood, two supernatural thrillers that defy the genre. **THE CALLING** When eighteen-year-old Christopher Myers parents are murdered, something is written on his bedroom door, a mark in his parents blood that convinces the police the killer has targeted Christopher as the next victim. To keep him safe, he travels away with his estranged grandmother and uncle to the small town of Bridgton, New York. And its in Bridgton that he meets an extraordinary young man who has come with his father to stop an unrelenting evil. Soon Christopher learns of the towns deep dark secret, and how his parents murder was no accident, and how he has been brought to Bridgton by forces beyond his powerforces that just may threaten the destruction of all mankind. **THE CALLING** is a powerful, gripping and terrifying novel, the sort that possesses your whole life while youre reading it; itll stalk you through the day, and inform your dreams. Swartwood has delivered a novel that will become a classic. Tim Lebbon, New York Times bestselling author of *The Silence* **LAND OF THE DEAD** In a dystopian future where the animated dead reign, the few remaining living are feared and pursued. Conrad is a Hunter. Hes one of the best. But when he hesitates one night in killing a living child, he soon finds himself in a desperate fight to save his son and the entire world. One of the smartest, most exciting zombie novels in many years. I absolutely loved it. Brian Keene, bestselling author of *The Rising*
