

## The Geeks Guide to Wine: Dont Be a Dummy! Get Twice as Smart for Half the Price! (The Geeks Guides series)

From learning how to handle a corked bottle to mastering intimidating industry terminology, this wine sourcebook explains all of the necessary information to turn the clueless into swirling and sniffing sommeliers. Introductory and advanced chapters accompany easy-to-follow charts that explain all aspects of wine, including understanding the vintage and fermentation processes, selecting the proper wine for any occasion, and finding and enjoying a great bottle at minimal cost. With simple yet thorough text, readers will quickly be able to discuss and select wine with confidence.
