

Voyage of the Dead - Book One Sovereign Spirit Saga

Voyage of the Dead is the first book of the Sovereign Spirit Saga about survivors of the Zombie Apocalypse. Most of them are aboard a ship that is well equipped to survive the end of civilization, while others struggle to survive in a world suddenly overrun by undead cannibals. This is an apocalyptic adventure set within a horror genre, full of blood, guts, violence and the human emotions that fuel our survival instincts. While some scenes include graphic violence, it is intended to be more exciting than disgusting and more about using your brains than eating them. Welcome Aboard and Bon Voyage! Book length is 100,000 words. This is the edited and revised edition. The sequels, Flotilla of the Dead and Deluge of the Dead are also available on Amazon. starts with a bang and I read waiting for the pace to slacken, except it doesn't. Too often, books of this kind start out with an action scene, and then we get chapters of backfill and descriptions of the soap opera-like travails of our characters. While Forsyth indeed fills in the characterizations, the key quality of this book is that most valuable in any kind of thriller--PACING. John S. Walsh, author of Love Has A Taste The Walking Dead meets Battlestar Gallactica! This novel has all the ingredients for an epic series of books and would be great for television too. Its like a Star Trek of the Zombie Apocalypse... Tom McWilliams A zombie lovers wet dream! [Its] very tense, visceral, and a joy to read. Joseph Rosenthal. This is the first novel by David P.
