

## Ra-Kits Initiation: A Zak Bates Eco-Adventure Digital Short (Zak Bates Eco-Adventure Series)

In the visionary young adult fantasy, *Dominion Over All* by W. Bradford Swift, Zak Bates is blackmailed by Ra-Kit, the last living magic cat, to accompany her and her companion, Sampson the flying dog, on a daring adventure to save the animal kingdom from annihilation. But where did Ra-Kits magic come from? Is she really five-hundred years old or is that just part of the mythology she's woven for herself? What did Ra-Kit have to do to be initiated into the secret clan of magic cats? In *Ra-Kits Initiation*, these questions and more are revealed in a quirky romp around London in the mid-1800s. It's a digital short for animal lovers of all ages. Includes bonus first chapters of *Dominion Over All*.
