

War Games

Caught in the midst of gunfire, Keith must make a hasty decision. He opts to save Winston, the spoiled rich son and abandon Alonzo the struggling father. It initially seems hes made right choice as hes able to leave the ghetto behind, but the haunting memories of that day keep him in a state of constant unrest. Years later, when they reunite, Alonzo has vengeance set on his mind. The battle they fought is nothing compared to the all out war hes ready to start.
