

# The Dinosaur Handbook

The Handy Dinosaur GK Book examines the mystery of the greatest mass extinction the planet has known, and reveals what scientists have been able to piece together about the life and death of the terrible lizards. Dig into The Handy Dinosaur GK Book and you'll unearth the answers to 1,000 commonly asked (and just plain interesting) dinosaur questions. Readers of all ages will love the succinct, easy-to-understand question-and-answer format, arranged subject-wise. From the earth's beginnings through the Triassic, Jurassic and Cretaceous periods to today's discovery-laden sites, The Handy Dinosaur GK Book provides hundreds of easily digested dinosaur facts. Complete with tables, charts, photos and illustrations, it's the perfect reference to help decipher 65-million-year-old mysteries. You'll go back to it time and again for fundamental information on the greatest creatures that ever lived.
