Master and Commander in space! Brilliant and brave starship captain Daniel Leary and ace spy Adele Mundy confront a pirate plot and once again save the Republic of Cinnabar despite itself.#8 in the best-selling RCN military science fiction series.Master and Commander to the stars. Captain Daniel Leary and master spy Adele Mundy must once again save the Cinnabar Republic despite itself. The jackals are moving in! The barbarians of the outer reaches intend to play both Cinnabar and Cinnabars sworn enemy, the totalitarian Alliance, against each other and bring both empires down like an enormous house of cards. The barbarian pirates have commandeered and hot-rodded starships that can outmaneuver even Captain Learys trusty RCN corvette. But speed and tech dont count for everything. The Princess Cecile has the incomparable Daniel Leary and his trusted aide and friend Adele Mundy in command. Faced with such grit, bravery and intelligent misdirection the pirates might find theyve bitten off more than they can chew.About David Drakes RCN series:[R]ousing old-fashioned space opera.
