

Declaration of War (What Zombies Fear)

After heavy losses and major setbacks, the team splits up. Spread across the country, everyone is making a new life and rebuilding. Kris and Alicia build a life for themselves in Gander Acres. John, Jo and the Australians fortify a town in the familiar climate of the Arizona desert in Yuma. Marshall and Renee take over Legion, and secure Atlanta. Everyone thinks the war is over. Except Victor and the EClei. Victor never forgets the atrocities committed and never loses sight of the zombies goals. His friends think hes crazy, but he continues to fortify Sharonton. For years, life is pretty good, John has several more children. Marshall builds LEGION into a thriving community, with the help of Renee and her daughters. Gander Acres thrives, growing into a small town filled with love and relative peace. Then the zombie hordes launch a coordinated attack against all of the major human settlements across the globe. Only a stroke of luck saves Victor, as the EClei renew their offensive and declare all-out war against the humans. Will Victor and Max be able to save the few remaining humans from this massive offensive?
