

Whisky: Malt Whiskies of Scotland (Collins Little Books)

Optimised for colour tablets. The map and images in this e-book are not suitable for viewing on black and white e-ink devices. This beautifully presented little ebook is an excellent introduction to the world of Scotch whiskies. It includes the major Scotch whiskies and the distilleries that produce them. The ebook includes the very best of Scottish single malts and deluxe whiskies, and includes details for over 150 Scotch whiskies. It is completely up-to-date, including new Scottish distilleries which have yet to bottle spirit or establish a core product. What's more, an introduction exploring the current whisky boom and how distilleries are coping with this surge in demand makes this little ebook a great introduction for anyone looking to learn about whisky.
