

Wine Lovers Journal

Keeping a wine journal is a simple, but powerful way to compare different wines from around the world. This journal is designed for real wine lovers. In no time at all, you should become an expert in recording and comparing the wines you have tried. Along with keeping records of the winery, style, and origin of your favorite wines, there is also a unique Flavor Wheel to visually compare your wine tasting experience. Using a flavor wheel when tasting wines will allow you to quickly compare wines and your thoughts on the taste over time. This journal is the perfect place to store those records so that you can reflect back on the best (and worst) wines you've ever had.
