

## Winebirds VINALOGY: Wine basics with a twist!

Why is Cabernet Sauvignon the rugby player of the wine world? How is Viognier like a tropical sun goddess? Which grape is the ladyboy of Piedmont? PAH to dry facts! VINALOGY is a beginners wine guide with a difference. Get to know the characteristics of the worlds most famous grape varieties - the real building blocks of wine - with Winebirds unique and evocative vinous analogies. Imagery and storytelling are much more effective than facts and figures when it comes to remembering detail, so this time youll actually remember what youve learned. As well as a guide to the great grapes, VINALOGY will: Teach you how to tackle the subject of wine in four simple steps Explain how to speak wine language like a pro Give you tips for understanding a wine list Tell you what to look for when you taste Offer tasting ideas to help you learn and Answer those frequently asked wine questions A little wine knowledge is the new life skill, especially for those who entertain a lot at work as well as at home. Can you afford not to know a little more?
