

Wrath (Adrians Undead Diary Book 5)

Wrath will toy with your emotions, and if by now you're invested in the story, it's quite possible you may shed a tear or two as you read this installment. -Shana Festa, The Bookie Monster. Good and evil play their game to determine whether humanity gets a second chance, and their pawns are the living and the dead. ALPA and Westfield have formed a strong alliance that keeps both settlements safe and growing. Adrian has even found time to discover a new love with Mallory. All is well. But when evil plays the game, it plays for keeps. The greatest move of all will use a piece very close to Adrian. When Adrian is betrayed by someone he loves, the whole world may suffer the consequences of his wrath. Book Five of the AUD epic brings a new vision of the apocalypse. In Providence and Dream a Little Dream, good and evil will have their say-- and in A Traitors Death, Adrians will go on might be shattered forever.
